Essentials for Achieving Rigor
Learning Sciences International - Marzano Center

Strategy	
Planned Instructional Technique	What would you need to <u>hear</u> the teacher <u>say</u> or <u>see</u> the teacher <u>do</u> to verify the existence of this technique?
Planned Monitoring Technique	What would you need to <u>hear</u> the teacher <u>say</u> or <u>see</u> the teacher <u>do</u> to verify the existence of this technique?
Expected Student Evidence	What would you need to <u>hear</u> the students <u>say</u> or <u>see</u> the students <u>do</u> to verify the existence of the desired effect of this strategy?
Planned Adaptions	What would you need to <u>hear</u> the teacher <u>say</u> or <u>see</u> the teacher <u>do</u> to verify the existence of this technique after monitoring student evidence and determining how many students demonstrate the desired learning ?
