Directions

If you have any recommendations, comments, or questions do you have for improving the “Conditions of Learning” as outlined in the following State Priorities, please write them in the space provided.

State Priority (1)- Basic: What recommendations, comments, or questions do you have for improving the degree to which (a) teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; (b) students have access to standards-aligned instructional materials; and (c) school facilities are maintained in good repair (*Education Code section 44258.9, 60119; and 17002(d)*).

State Priority (2)- Implementation of State Standards: What recommendations, comments, or questions do you have for improving the implementation of academic content and performance standards adopted by the state board for all students, including English learners.

State Priority (7)- Course Access: What recommendations, comments, or questions do you have for improving student enrollment in a broad course of study that includes all of the following subject areas: mathematics, language arts, social studies, science, physical education, visual and performing arts, and career-technical education. (*Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220*).
